

Community Village Application 2012

Community Village Policy

The Vancouver Folk Music Festival welcomes all community-building organizations with a focus on green living, alternate energy sources, positive community development, and the promotion of equality and sustainable development to apply to participate in the 2012 VFMF Community Village.

The interactive nature of the 2011 Community Village was a huge hit; therefore, we strongly suggest all our community partners offer interactive and participatory activities or displays at their booths for the 2012 Festival. Go above and beyond handing out printed brochures; get creative and help folks understand, and support, the important work you do for the community as a whole.
